

### 25 Piece StrapGuard Kit Installation Instructions

- 1.) Pre-Drill Snow Guards: Use the starter points on the SnoBlox Deuce to pre-drill holes large enough to accommodate the included stainless steel screws. Use a bit extension to avoid scratching the snow guard face.
- 2.) Apply Everflex SB-1800: Cut the tip of the Everflex silicone sealant nozzle in a broad fashion and smear the sealant across the entire base of the SnoBlox Deuce. Make sure that when the guard is set in place, the silicone sealant will uniformly cover the complete underside of the base while providing adequate squeeze-out around the entire perimeter.
- 3.) Insert Snow Guard in Strap: Place the base of the SnoBlox Deuce securely in the lip of the strap; ensure that pre-drilled holes align correctly with holes in strap. Check to make sure the sealant has squeezed out around the entire perimeter of the guard. To insure a watertight seal, run a bead of sealant in any areas around the border that may have voids. It is aesthetically pleasing to smooth the sealant by carefully finger wiping around the edges while wearing a rubber glove.
- 4.) Insert Hardware: Insert the stainless steel bolt from the underside of the strap so that the flat head will rest against the roof when installed. The threaded portion of the screw should extend up, beyond the snow guard. Secure the bolt to the screw. Ensure snug fit and avoid over tightening.
- 5.) Trim Strap: Use shears to trim the strap to desired length.
- 6.) Install: Install as necessary.

#### 25 Piece StrapGuard Kit Includes:

Kit includes 25 SnoBlox Deuce  
25 Galvanized Straps  
50 Stainless Steel Bolts  
50 Lock Nuts  
1 tube of Everflex SB-1800

#### Warranty

The following warranty is made in lieu of all other warranties expressed or implied. Recommendations for proper use of the product are based on tests believed to be reliable. Any goods proven to be defective due to materials will be replaced, or purchase price refunded, but in no event shall the manufacturer be responsible for damages in excess of the purchase price. User shall determine the suitability of the product for its intended use and assumes all risks of its use or handling.
